SHERIFF LASSITER SEEKS SECOND TERM

Sheriff James Lassiter

Sheriff James Lassiter of Oxford County will be a candidate for renomination in the Republican primary election in June.

The Sheriff is serving his first term in office.

A native of Ohio, the Sheriff moved to Michigan as a young boy, received his schooling there and entered the regular army in 1929.

Service during the next 21 years until 1950 took him to nearly all parts of the globe.

Member of a combat unit during World War Two, he was seriously wounded in action in the Normandy invasion.

After World War Two he was provost marshal of Rome, Italy, and prison commandant at Camp Devens. He closed his army service with the Counter Intelligence Corps in Vienna, Austria.

Sheriff Lassiter has endeavored to maintain a high standard of efficiency throughout the Sheriff's Department by constant training of personnel in various phases of criminology and in obtaining the necessary material so that this knowledge can be utilized to the maximum extent. It is the aim of Sheriff Lassiter to give the people Oxford County service and protection against crime that is their right.

In 1933 he married Rosaline Morrill of Bethel and in 1936 they purchased a home in Albany, coming there to live in 1950. In 1954, in August, Lassiter was appointed sheriff of the county to succeed Clark C. Hunt, who had died in office, and in September of that year he was elected sheriff in the biennial election.

CHURCH SCHOOL OF THE AIR

A nationwide audience will hear a program entitled "Christianity and Science" to be broadcast by CBS Radio "Church of the Air" series, in cooperation with the Christian Science Church on Jan. 29, 1956.

Originating from Station KCBS, San Francisco, the program will be heard from Radio Station WGAN, Portland, Maine, and other Columbia Broadcasting Stations heard in the State at 9:30 a. m. The speaker will be Floyd C. Shank of San Francisco, a Christian Science practitioner and teacher. Music will be furnished by a quartet.

WHAT A PRIZE! . . . Cat named "Tina" snatched sheepstealer's suspected since stolen in Hamburg, Germany.

The Week in Oxford County

Dr. Raymond S. Houghton, osteopathic physician and surgeon, has announced he will close his office in South Paris and relocate in Thomaston, Me., where he will conduct a general practice.

Charles H. Peterson, CMT district manager in Norway since 1945, was recently transferred to Augusta. Donald C. Kilgore assumes the post of manager at Norway.

Francis McAllister, Oxford has been appointed Star Route mail carrier to Oxford and Welchville post offices.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

The new Mack fire truck gave a very good account of itself during the underwriters test last Friday. Every required test was taken and it had plenty of reserve power at all times. The engineer representing the Mack Motor Co. present during the test spoke highly of the cooperation and the ability of Chief Blake and the men in the fire department.

You may be interested to know that the labor cost on the shed on the town garage lot was \$317.70; cost of roofing, hardware and misc. costs bring our cost to about \$1,000. As you know the lumber was cut last winter on the Town farm lot. Our unpaid tax list must be made up the first of February to give Mr. Brown a little time for the town report.

Thank you,
O. T. Rozelle

LIONS CLUB PLANS POVERTY BALL AND LADIES NIGHT—ENJOYS FIREARMS PROGRAM

Thirty-six members and three guests were present at the semi-monthly meeting of the Bethel Lions Club held Monday evening. The following were introduced as new Lions: Pete Baker, Roy Barker, Hank Leach, Bud Lamson, Paul Shaw, Ken Wing, and Raymond Swan. It was voted to organize a group to travel to Westbrook on Jan. 21 in attempt to bring back the Traveling Lion of District 41L. It was also voted to invite the Chamber of Commerce to hold a joint meeting on Feb. 27 to discuss town affairs prior to town meeting.

A discussion of the proposed blood typing clinic sponsored by the Bethel Community Health Council followed with many showing interest. All new members were appointed to serve with Russ Graham as a committee for a Ladies Night on March 26 when the District Governor, Ralph Lovell of Sanford, makes his official visitation. Tickets for the Poverty Ball to be held Feb. 24 were distributed to the members, and it was announced that the many door prizes would include an electric fry pan. Paul Shaw was the lucky winner of the prize for the evening.

Following the business meeting the program chairman, Earl Davis, introduced Edward Ulrich, sales representative for Winchester Arms and Western Ammunition, who presented a very interesting program including a color movie featuring Harry Parsons, the world famous rifleman, performing "the impossible" with rifles and shotguns. Bowling at the Central Alleys followed the meeting.

LARGE GROUP HEARS DR. SMITH'S REPORT ON W. H. CONFERENCE

Dr. Payson Smith, former Commissioner of Education for Maine and Massachusetts, reviewed the highlights of the White House Conference on Education to a large audience in William Bingham Gymnasium Wednesday evening.

Dr. Smith opened his address by pointing out that the movement for a high level conference in Washington was given impetus by the remarkable degree of interest in education that has come from all over the United States. Grass roots meetings were held on local and state levels from which citizens' committees were selected for the high level meeting in Washington. Maine's delegation numbered 10 of the 1000 citizens representing every state of the Union, District of Columbia, Porto Rico, Alaska and Hawaii. It is significant to note that the White House Conference was developed and conducted in accordance with the methods of group dynamics developed by the National Training Laboratory which has had training sessions at Gould Academy for the last nine summers.

Dr. Smith said that the delegates were given six major problems for consideration, any one of which could have required the entire period of the conference. These were: (1) What are the aims of education? (2) How should schools be organized? (3) How are we going to house the increasing number of students? (4) How are we going to get and keep good teachers? (5) How are we going to finance the increasing cost of education? (6) How are we going to keep the public excited on the problems of education after the conference is over?

While there was a strong minority of the conference which demanded that formal votes or resolutions be taken to indicate the stand of the delegates on the problems under consideration, the majority of delegates wished it to remain a thought provoking experience which they could carry back and feed back to their own communities.

Dr. Smith mentioned that the most common question with which he is confronted since his return from Washington is "What did it amount to, anyhow?" to which he gave the following answers. The White House Conference pointed out (1) the relationship of the federal government to the states and local communities in regard to the disbursement of money for education. A formula under consideration would give Maine 1 1/2 million dollars a year for the next five years to build schools. The question of federal assistance has aroused considerable speculation about federal control but Dr. Smith pointed out that such a relationship between federal government and state is not new, having existed since the days of President Lincoln.

Dr. Smith stated that Maine had the lowest per capita income of any state north of the Mason Dixon line except two according to 1953 statistics and that salaries in the state for public school teachers are fifth from the bottom in the nation. In spite of that he said he is not dissatisfied and is more hopeful now for the schools of Maine than he has been at any time during his long period of service. The people of Maine must take up the challenge now and get on at the time what we want for the next generation of 1975.

LOUIE CATELLO

Cor. 1st Ave. and Hamlin St. Bethel, N. H. 26333

Thursday, January 18

Read John 12:26-28.

Mr. we would see Jesus. (John 12:26)

All the idols offered man for worship, all the things that for too many become objects of worship, cannot satisfy man. Idols and things do not answer man's longing for the true God.

One day two young men came to our Mission Center. They came with a special request. "A few months ago," they said, "we attended evangelistic meetings in our village. The words spoken by the Armenian evangelist gave us new life. We have been reading the New Testament ever since. Now we have come to you to hear and learn more of Christ. We want to see Him. We represent seven villages and ten thousand people. Take us, they said, to the true God.

help us. Our spiritual condition is pitiable. The religion we have had no longer satisfies us."

We thank God for the church and its challenge to people everywhere to a higher way of life. We thank God for our opportunities to serve Him by leading others to Christ, that He may work His saving power in them.

Prayer

Father, we praise Thee for opportunity daily to serve Thee. Help us to know Thee personally that we may be able to help others see and understand Thee. For thy glory we ask this, in the name of Jesus Christ, our Saviour and Master. Amen.

Thought for the Day

Do people around me and my church see Christ's spirit in me and my church. — N. Khachadourian (Syria)

Mr. and Mrs. Eamon Keniston and Lona spent Sunday at South Waterford with the William Kimball family.

Mr. and Mrs. Ralph Kimball were in Augusta Sunday to attend funeral services of a relative. The children visited in Gardiner.

George Logan went to Boston Sunday for a few days to consult a doctor there.

Harry Logan was a caller at George Logan's Tuesday. Peter Logan is much better.

Conservation Farming In Oxford County

by Douglas L. Marston
Soil Conservation Service
The Supervisors of the Oxford County Soil Conservation District have recently hired a part-time secretary to handle the increased bookkeeping and financial business of the district.

Mrs. Eldith Lang of West Paris has been hired to fill this position.

The decision to hire a secretary was one of the items of business at the Supervisors' regular meeting held at the home of Robert D. Hastings in Bethel on January 6. Other business of the meeting was a decision to purchase grass seed mixture for sale to cooperators at cost. This mixture is a special blend of grass seed specifically adapted for areas such as ditch banks, pond banks, diversion ditches and sod waterways. This grass mixture will form a dense sod to prevent washing. The mixture will be for sale at 65c per pound.

Other business of the meeting was a decision to purchase 4,000 trees from the State Nursery in Orono for planting on the District lot in Brownfield.

The Supervisors also voted to have the State Fish and Game Biologist go over the District lot in

Brownfield to see what practices could be established that would be to the benefit of wildlife.

It was also decided that the District would request a Soil Survey of the Brownfield and Elmore areas burned over in the forest fire of 1947.

The Supervisors feel that such a survey would be of considerable value in determining what parts of this vast area could be readily planted to trees by machine. The request was made to the Soil Conservation Service.

HOULTON MAN HEADS MAINE ASC COMMITTEE

LETTERS TO THE EDITOR

Bethel Citizen
Bethel, Maine
Jan. 21, 1956

To the Editor:

At a meeting of the Androscoggin Valley Dental Society held Jan. 19 at Lewiston the Society again went on record as being unanimously in favor of fluoridation of public water supplies. This is a local organization of members of the Maine Dental Society and the American Dental Association. Both of these groups have previously recommended the fluoridation program. Among other organizations on record as favoring fluoridation of water supplies are the American Medical Association, American Legion, National P. T. A., American Public Health Assoc., American Hospital Assoc., and American Nurses Association. It was announced that Brunswick has become the latest addition to the group of Maine cities and towns who have begun fluoridation. As most of us know, Bethel citizens voted to authorize fluoridation here last year at town meeting. To date no action has been taken toward the installation of this very worthwhile project. Most of the children of this town continue to suffer from the full effects of the world's most prevalent disease — dental caries, when up to 75% of it could be so easily prevented.

It's the Mighty Mite of chain saws

HOMELITE Model 17 Chain Saw

No other saw so light... so easy to handle... packs so much power. Enough power to rip through an 18 inch tree in 15 seconds. Enough power to cut through 4 feet of more in diameter and to stand up without costly maintenance under steady production cutting. Try it... this mighty mite of chain saws... the new Homelite Model 17, today.

OXFORD PAPER COMPANY ANNOUNCES TREE FARM FAMILY PROGRAM

The Oxford Paper Company, in its efforts to promote better forestry practices in Maine, has announced plans for the establishment of a Tree Farm Family program. The announcement of the program was made yesterday by Harry L. Beach, General Manager of the Wood Department. This is the first Tree Farm Family program to be launched in West Central Maine and the third in the Northeastern United States. A movement of this nature conforms with Oxford's policy of promoting better forest management in the Northeast and improving the general forest land conditions in the state of Maine.

When announcing the plans, Mr. Beach said that the Tree Farm Family idea is an outgrowth of the American Tree Farm System and was started in the south in 1946. The family program is being used by the leading forest industries throughout the nation to promote forest conservation and improvement through better forest management.

A Tree Farm Family consists of an informal group of certified Tree Farmers and potential Tree Farmers owning forest land and who, through their interest in improving forest conditions, receive free of charge technical advice and guidance from professional foresters of the sponsoring company. The Oxford Paper Company, in sponsoring this program, is interested in helping forest owners conserve their future growth resources and to assist them in de-

GOULD ACADEMY

Gould 50-Mexico 55

Gould teams came back last Friday with a couple of victories that were real thrillers. The J.V.s won 45-44 with the final free throw being scored after the whistle had blown to end the game.

The Varsity gained only two points in the first two periods but put on a fine rally in the third period. The Huskies had a 10-point lead on two different occasions but were out in front only 8 points at the start of the final frame.

In the last period the Pintos put on a last ditch rally of their own to come within two points of the Bethel club but a basket by Giddings and two free throws by White gave Gould the victory.

Merle White (17), Jenckes (14) and Knight (14) were the point producers for the winners. Brown (15), Leavitt (10) and Hammond (10) kept the Mexico quintet within striking distance.

Jay Trims Gould 79-49

Jay High's classy ball handlers and sharpshooters proved entirely too much for Gould Academy here last Tuesday as they won 79-49.

The winners looked the best of any club to meet the Huskies this year. They stepped into a 10-2 lead after only minutes of play and gradually increased their margin.

Ouellette, Bolvin, and Allen were outstanding for the visitors. They contributed 12, 18 and 14 points but Metch, Greenleaf and Bodge helped out with 10, 8 and 8.

Knight played well for the home

veloping a steady source of income by the intelligent care and harvesting of timber crops. Any forest owner expressing a desire to practice the forest management standards of the Maine Tree Farm System is eligible and welcome to membership, whether or not he is presently a certified Tree Farmer.

Among many of the services offered by the Company are outlining and examining of the member's lands for inventory purposes; establishing a sound program for the area as determined from the investigation; aid in executing the program; and keeping the owner informed as to current developments in forest management and in the wood using industry.

The Oxford Tree Farm Family program will be under the immediate supervision of J. L. Hartman, Chief Forester for the Company. In February the Company will require the services of an additional forester who will devote his full time to the Oxford Tree Farm Family.

Speaks softly and
packs a powerful wallop!

THE BEL AIR SPORT COUPE—one of 19 high priced looking Chevrolets, all with Body by Fisher.

Whether idling at curbside or cruising, this new Chevrolet talks in a well-mannered whisper. You scarcely ever hear more than a soft undertone of power from its deep-chested V8. (One reason is the hydraulic-hushed valve lifters now in all Chevrolet engines—V8 or 6.)

Soft-spoken, yes—but this handsome traveler packs a wallop that ranges up to 205 h.p. It's charged with sheer action!

Action that can save you precious seconds for safer passing on the highway! Action that lets you take steep hills in strident

action that helps you zoom out of trouble spots almost as quickly as they develop!

And action isn't all. Chevy holds the road like part of the pavement! You feel added assurance in the pavement it clings to curves.

Of course, Chevrolet brings you the security of safety door latches in all models. Instrument panel padding and seat belts, with or without shoulder harness, are offered at extra cost.

Come in and drive a new Chevrolet. We've got one ready and waiting for you.

News of 4-H
CLUBS

The Lucky Clover 4-H Club held their ninth meeting at the leader's house Sunday at 2. The meeting was called to order by the President, Arlene Coolidge. The secretary read the roll call and secretary's report. The treasurer's report was read. There was no old business. In new business we talked about the requirements for a blue ribbon winner. There was a thank you note from Mrs. Knight for the Christmas gift we sent her. We voted to take \$1.20 out of the treasury to send in for the march of dimes. The meeting was adjourned. After the meeting we did our demonstrations. There were two birthday parties. The refreshments were served by the leader. The next meeting is at Josie Foster's. Club Reporter, Serena Coolidge.

The Nine Busy Bees met at the home of Mrs. John Howe. The president opened the meeting with the 4-H pledge. We sang our club song and Nancy Brown and Carol Flint gave their demonstration on making a 4-H needle book. We finished our 4-H needle book. Refreshments were served. Reporter, Carol Joan Flint.

Maple Leaf 4-H Club met Saturday at the home of Mrs. Freda Korhonen. The girls practiced their demonstrations for the meeting at Bethel, Wednesday. The girls and demonstrations chosen were as follows: how to set a table for formal dinner, Mary and Margaret Burris; how to cut out a blouse, Mary Head and Betty Lou Korhonen; how to make salad dressing, Sara Stowell and Cynthia Burris; how to frost a cake, Norma Korhonen and Gloria Burris. Mary Head is club reporter.

The Lucky 13 4-H Club met at our leader's home, Mrs. Abbie Brown's, after school Monday. President Mary Ellen Willard called the meeting to order. Next we heard the Secretary and Treasurer's reports. Some of the girls who are giving demonstrations at the Demonstration Tournament here in Bethel, on Wednesday, Jan. 25, visited Mrs. Betty Perkins' 4-H group and Mrs. Phyllis Howe's 4-H group and gave practice demonstrations. Mrs. Brown and Rachel McKay served refreshments after the meeting. — Donna Rice, Reporter.

The meeting of the Zippy Snappers was called to order by the president, Beth Ann Brown. Secretary's and treasurer's reports were read. We are going to contribute a dollar to the polo fund. We are all going to earn our money to give to the IFYS fund. We all went over our demonstrations again tonight. Nancy Cole and Sharon York won the drawing bag contest. Reporter, Claudia DeMonte.

The Busy Beavers, Patrol 5, met at their leader's home, Faith Brown's. We had the promise and laws. Secretary's and Treasurer's reports were read. We discussed skating and decided our next meeting to have a skating party at the home of Mrs. James Brown. We learned, under the direction of Julia Brown, how to keep our nails and hands clean, well groomed, and in suitable condition for the things you do. Bea Brown served refreshments. — Claudia DeMonte, sec. protem.

Girl Scout Patrol 1 met at the Gould skating rink for a half hour of skating. Then we went to the home of Mrs. Monique Rolfe. After the business meeting Mrs. Rolfe told us about her home country of France and scouting over there. We were interested in her school work when she was our age. She gave us each some French stamps. Norma and Margaret served us refreshments and Mrs. Rolfe gave us marshmallows. Jackie and Judy will bring refreshments next week. — Norma Kimball, reporter.

Pine Tree Patrol met at the home of Elizabeth Waldron with 6 members and one leader present. The following officers were elected: Patrol Leader, Susan Smith; Assistant Leader, Diana Bennett; Secretary, Elizabeth Waldron; Treasurer, Cheryl Douglass. The girls voted to make February our community service month and we will fold surgical dressings for the Red Cross at our meetings in February. It was voted to have a Valentine Father and Daughter Banquet on Friday, Feb. 10. Cheryl Douglass will have the toast to fathers. Cheryl Douglass was awarded her Cooks and Child Care Badges. The girls drew lots to demonstrate various house cleaning skills such as cleaning windows, polishing silver, furniture, etc. Refreshments were served by Elizabeth Waldron and Cheryl Douglass. Refreshment committee for next time is Susan Smith and Gertrude Smith. Respectfully submitted, Elizabeth Waldron.

Brownie Troop 3 met Tuesday, Jan. 24. Rhonda Brown served refreshments. The entire meeting was spent playing games. Barbara Douglass and Sharon Coolidge will
